

## Central NY Fraternal Order of Police Annual Scholarship & Charity Golf Tournament

The Central New York Fraternal Order of Police, a 501c3 charity organization (03-0440200), is to provide and encourage fraternal, educational, charitable and social activities among the law enforcement members of our community by partnering with numerous charitable organizations such as; Francis House, Hope for the Bereaved, Hospice, Enable, Food Bank and St Baldrick's all designed to foster Community involvement. We also fund educational scholarships within our organization.

Our annual Golf Tournament in August is one of the largest multi-agency events of its kind in Central New York and is the premier fund raiser event by our lodge. Our connections within and to our community, as well as our collective experience with service programs, enable us to make your donation go as far as possible.
