

Scholarship Form 2024

We will be awarding scholarships once again this year. There will be six \$500 scholarships available to the son, daughter, or grandchild of our members. The student must be accepted at an accredited school of higher learning, not a high school, and be a full-time student. **A one-to-two-page essay of the student's academic and professional plans, written by the student, must accompany this application.**

Must be submitted by 06/08/2024.

All winners will be chosen by the scholarship committee based on the merit of their essay and presented at the July meeting at Nibsy's Pub. You do not need to attend to qualify. Winners will be notified by postal mail, e-mail, or phone.
